Priority: HIGH

IMPORTANT ANNOUNCEMENT:

Effective 31 May 2024, the Alberta Association of Emergency Managers (AAEM) as per dissolution resolution approved unanimously at the Annual General Meeting, is officially dissolved as an organization. Administrative steps to complete the required dissolution protocols and processes, are under way by the AAEM Board and expect to be completed in the very near future.

AAEM News/Updates:

The AAEM Annual General Meeting (AGM) to place last night, 31 May 2024 from 1800h MDT to 1900h MDT, and was attended by six (6) AAEM Members. Regrettably there were not enough Members in attendance nor were enough volunteers found to stand for election for the new AAEM Board for the 2024/2025 session.

Congrats to Dawn and Nick who were awarded the 2024 AAEM Student Bursaries. We hope these funds will assist you in completing your studies in emergency management.

It has been our pleasure to serve the membership of AAEM during this turbulent year. Despite attempts to find the correct tools to engage the membership and increase Member participation, none in the end were successful. We hope in the future that an Albertan Emergency Management organization will rise from the ashes of the AAEM to create a forum that brings together all the talent and energy that Albertans are renowned for.

At this time, your 2023/2024 AAEM Board – Russ Nelson, Jason Costen, & Andrew McMillan, would like to thank you for your support and membership. As the EM world is not too vast, we expect our paths shall meet again.

Signing off for the final time. Take care.
